Edinburgh Photographic Society Digital Salon - 1st EPS Int Digital Salon 2021

Introduction

Welcome to the first Edinburgh Photographic Society Digital International Exhibition 2021.

All accepted Images are included in this catalogue.

Thank you to all entrants for sharing their wonderful images. It has been pleasing to see so many entrants for our very first Digital International. We received 3175 images entered from 43 countries.

Our International panels of distinguished selectors had some difficult choices to make. By necessity judging was carried out remotely using Zoom with separate Jury Panels for Open and Nature Sections to decide on final selection and awards.

As is always the case, it's unfortunate that so many very good images have to be left behind as we cannot accept them all. Many congratulations to those of you who gained awards and acceptances.

A special well-done to all who entered their first International and gained their first acceptance or, better still, awards.

My thanks to all behind the scenes and for the support given by Edinburgh Photographic Society Council and Members.

As many of you know, Edinburgh Photographic Society (EPS) runs one of the oldest Print Salons in the world. Started in 1861, in the pioneering days of photography, our Edinburgh International Print Salon was due it's 158th running in 2020. Covid has prevented us running it since.

Our International Committee were keen to maintain our presence as an organiser of one of the best International Salons in the world. We began looking for a host, with some pedigree to run our 1st Digital Salon. We found that host in MyPhotoClub. We are grateful to Colin Woods of MyPhotoClub for

helping us to get up and running quickly and smoothly. Our 1st Digital International Exhibition is the only Scotland based International since 2019.

The Edinburgh International Print Salon has a large following amongst entrants. Visitors to the exhibition, during Edinburgh's International festivals, are numbered in several thousands. We had hoped to take advantage of the Edinburgh Hogmanay Festivals to show this Digital Exhibition to a wide audience too but again Covid, intervened and the exhibition moved on-line.

EPS now looks forward to 2022 in the hope that we can run our 158th Print Salon and our 2nd Digital Salon. We hope to see all of our International Photographer friends again later this year.

We're planning for Prints to open for entries in April and Digital Images in September. Remember Scotland, England, Wales and Northern Ireland each count separately towards FIAP Countries!

Alexander D.Berndt ARPS EFIAP,

International Exhibition Chair and Secretary, Edinburgh Photographic Society

Edinburgh Photographic Society Digital Salon - 1st EPS Int Digital Salon 2021

Panels of Selectors - Open Mono and Colour Sections

Peter Paterson FRPS MFIAP MPAGB (Scotland):

Peter has been interested in Photography for over 50 years starting mostly with Black and White processing in his own darkroom now Peter is fully digital using Sony Cameras and digitally printing on Epson Printers.

During his Photographic journey Peter has gained a Fellowship in visual art from the RPS and also gained two other distinctions Masters of the PAGB and Masters of FIAP. He has also had his work published in various magazines and used in book covers. Peter exhibits work nationally and internationally in various Landscape Competitions. His main interest is Landscape Photography trying to interpret this as faithfully as possible to the way he saw it at the taking stage, Peter also enjoys Still Life and Creative work changing the reality of the image with photoshop techniques.

Paul Stanley FIPF EFIAP/g ESFIAP (Ireland)

Paul has been interested in photography since his school days. He is an active member of the Dublin Camera Club for many years and was honoured to be elected President of the club in February 2021. This will coincide with 75th Anniversary of the foundation of the club. In addition, Paul is the Director of the Eddie Chandler Gallery, which is a FIAP Exhibition Centre, which is run by the Dublin Camera Club.

Paul is also a committee member of the Irish Photographic Federation, past president of the Federation and is currently the FIAP Liaison Officer for Ireland.

Paul was part of the group that established the FIAP Photo Academy Online Events in September 2020 and is currently the Director of this FIAP service. Paul is a keen exhibitor at International Salons and has gained EFIAP/g. Paul gained his Fellowship of the Irish Photographic Federation with a panel of Travel Photography in 2013. Paul has presented to clubs throughout Ireland and in the UK and judges extensively in Ireland and internationally.

Janet Haines FIPF ARPS GPSA EFIAP DPAGB (England)

From a very young age Janet always had a camera but only got serious from the advent of digital. Winning a local competition in 2003 won her a camera club membership which got her started. In 2006 she gained her LRPS and the Associateship of the Royal Photographic Society in 2011. Adding to the list of Awards she has achieved the DPAGB, EFIAP, GPSA and the Fellowship of the Irish Photographic Federation (FIPF).

Always looking to help others enjoy her passion for photography Haines became a UK club judge and lecturer, going on to set up several Distinctions' study groups over the years. Her varied volunteer work, including being an RPS Distinctions Assessor for a period, culminated with being a Trustee of the RPS from 2019 to 2021.

As an appointed Permajet lecturer Janet considers herself to be a print worker; the choice of paper being determined by the subject matter. Whilst living in the Netherlands Haines had two solo exhibitions, as well as being hung in other joint exhibitions. More recently she won the Bronze trophy at the 2021 Lens de Mens International Fotofestival in Pelt, Belgium.

Edinburgh Photographic Society Digital Salon - 1st EPS Int Digital Salon 2021

Panels of Selectors - Nature and Wildlife Sections

Andrew Hayes PPSA ARPS EFIAP/g DPAGB (Scotland):

An experienced aviation, nature and wildlife photographer who dabbles in a little creative work. Spending much of my time working from my home in Scotland with occasional trips to exotic places abroad, Europe, India and Kenya. Officially retired, I am fortunate to have time to develop my passion for photography.

I am an Associate of the Royal Photographic Society, achieved Excellence/ gold standard with FIAP, PPSA distinction and a holder of a Distinction award from the Photographic Alliance of Great Britain. I judge for the Scottish Photographic Federation and give talks on Aviation and Wildlife. I have the pleasure of judging and speaking remotely at national and international level. I undertake the roles of Scottish Membership Director & Liaison Officer and Exhibition Standards Director for the British Isles for the Photographic Society of America.

I've been working on a project with Scottish Wildcat Action for the past six years. Sadly the report concluded that the species was endangered and would not survive without human intervention. My current aim is to produce a portfolio of images that promote the magnificence of Scottish nature in a natural way showing people what the Scottish environment can offer.

I am very conscious of the fragility of my wildlife locations and subjects and endeavour not to disturb or leave a footprint.

Roy Killen APSA, GMPSA/B, EFIAP, APSEM (Australia):

Dr Roy Killen, APSA, GMPSA/B, EFIAP lives in Australia and has many years experience as a wildlife photographer in numerous countries. He has been an international judge for more than a decade. He is a regular workshop presenter on nature and other photographic topics. He was the lead author for the PSA Guide for Nature Photographers and Judges.

Ralph Snook ARPS EFIAP/s DPAGB (England):

I have been taking photographs for longer than I care to remember. In the early days I mainly took landscapes and anything to do with the 'great outdoors'. Gradually I progressed to concentrate on Natural History subjects, and this was accelerated by more travel to foreign parts. Before digital I processed my own slides and films as well as printing in my darkroom, but eventually switched to Digital when Sony took over Minolta.

Currently I almost exclusively take Wildlife images. Having worked in Africa as a guide/camp manager this is my go to destination for photography and wildlife experiences. My focus is predominantly on behaviour and the unusual rather than straight portraits/images. I also do a lot of bird photography both on my travels and in the UK.

As well as taking images I am involved in many other aspects of photography, I run the RPS Nature Group Members Exhibition and the Bristol International Salon, lecture at Federation level and judge at Federation and International Salons. Like many other photographers it is hard to work out how I had time to work before I retired, but would we have it any other way.

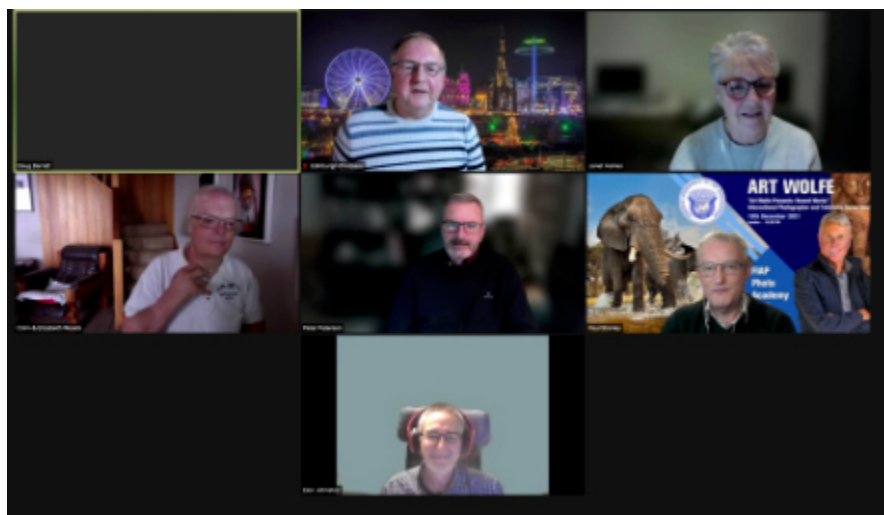

Edinburgh Photographic Society Digital Salon - 1st EPS Int Digital Salon 2021

On-line Jury Meetings

EPS premises in Edinburgh were closed due to Covid-19 restrictions.

Separate jury panels for Open Sections - PID-C/M (colour and mono) and Nature Sections - ND (nature and wildlife) were convened on-line. The selectors had previously viewed and scored all images individually on their own calibrated equipment. The cumulative scores were used to determine the overall acceptance level. The juries met to discuss, agree and decide upon the final awards from the top scoring images.

Open Sections Jury

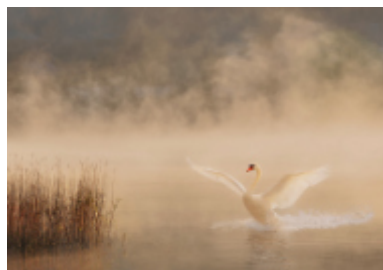

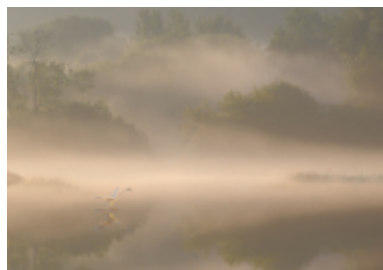

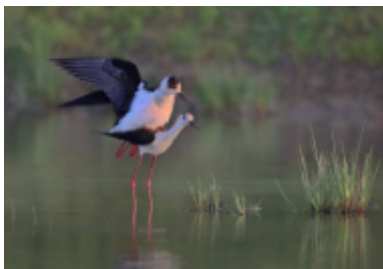

Nature Sections Jury

Edinburgh Photographic Society Digital Salon - 1st EPS Int Digital Salon 2021

Best Author and winner of FIAP Blue Pin for Most Acceptances

Paul Keene MFIAP FRPS EFIAP/d3 MPAGB

I have been involved in photography for over 50 years and I am still as enthusiastic as ever. I have always enjoyed entering international exhibitions and in 2016 I became the first person in the UK to reach the EFIAP diamond level. Competitions have also kept me occupied during the pandemic and this year has been my most successful ever in photographic terms, with over 1,100 acceptances and 170 awards. Like many photographers I've been constrained from taking new pictures for some time, so I've sharpened my editing skills and produced new work from my back catalogue. I enjoy all types of photography and I get a lot of inspiration from the many superb photographers in my camera club, Smethwick PS.
Paul Keene 2021

158th Edinburgh International Exhibition of Photography

The prestigious Edinburgh International will return for our 158th annual exhibition in the Society's premises at 68 Great King Street during the Edinburgh International Fringe Festival in 2022. Open to all, the Edinburgh International Salon is one of the very few print-only photography salons in the world.

“Getting an acceptance at Edinburgh is like getting a medal at other salons”

Follow the link to International Exhibitions on our website:
edinburghphotographicsociety.co.uk

Edinburgh Photographic Society is the oldest and largest photographic society in Scotland and one of the oldest and largest in the UK.

Our premises in the centre of Edinburgh plays host to many exhibitions throughout the year including the Edinburgh International. We also host many of the annual exhibitions from the London Salon and the Royal Photographic Society's special interest groups. The core of our membership is from around Edinburgh, we have many presentations and activities on-line and several members who regularly join us from farther afield including internationally. Our members enjoy well over 20 programmed talks per year plus lots of activities and competitions, many of which are on-line.

Find out more about us, view our programme and join here - edinburghphotographicsociety.co.uk
We look forward to welcoming you!

This competition was conducted using MyPhotoClub.

This catalog was automatically generated which is a good example of how much time MyPhotoClub saves competition organisers.
